Local Dispute Resolution

Emergency Safety Intervention Incident Occurs, Parent Notified

Parents receive documentation and feel emergency safety intervention was used appropriately. Parents feel emergency safety intervention was used inappropriately or did not follow the district's emergency safety intervention policy, the emergency safety intervention regulations, or the emergency safety intervention statute.

Parents may choose to first speak with the building administrator to try to resolve the issue informally.

Parents file a written complaint with local board of education within 30 days of the emergency safety intervention incident

If this is effective, the building administrator should provide written documentation of the issues to the superintendent.

Upon receiving a complaint, the local board will designate an individual to oversee an investigation, maintaining confidentiality

Upon receiving the report, parents may determine the findings are sufficient and consider the dispute resolved.

The local board will mail the written findings of fact and proposed resolution to the parent and KSDE within 30 days of receiving the complaint

Upon receiving the report, parents may determine the findings are insufficient and the dispute was not resolved. If findings are not agreeable, parents may proceed to the state administrative review process.
